

# Cruise Above the Clouds Car Club

## Come Join Us!

We are a registered 501C3, all volunteer, non-profit organization. The primary mission of the Cruise Above the Clouds Car Club is to raise funds to assist other non-profit organizations in delivering programs and services to residents of Teller County, Colorado.

In addition to hosting the car show each September, we offer members the opportunity to share their enthusiasm of motor vehicles, take part in club events and cruises, and help each other with vehicle projects.

## Cruise Above the Clouds Car Show

Established over 30 years ago with just a couple of local car enthusiasts, the club has successfully planned, organized, and managed the premier car show in the Pikes Peak region. From our humble beginnings of just 6 cars, we have grown to over 300 cars. The annual show is held the second Saturday every September in beautiful Woodland Park, Colorado. To date, the club has donated over \$350,000 to various other non-profit groups providing services in Teller County.
